

Calling **Change-Leaders** for a more equitable and sustainable future

# Emory University

## Master's in Development Practice

**Apply Now**

for academic year 2024-25

Our combined academic and practical learning are ideal for working development professionals who want to upgrade and formalize their training through a graduate degree. Our interdisciplinary curriculum and personalized mentoring enable students to build on skills gained through previous studies and/or professional experience.

### **MDP Partners Pilot Program:**

The MDP Program is piloting a program for employees of partner organizations for the academic year 2024-25.
