When you click “Submit Requests…”, your recommenders will be contacted by email and asked to submit letters of recommendation on your behalf. You cannot proceed beyond this page without clicking this button.
You are required to submit at least one undergraduate degree institution.

When you click “Add an Institution”, you will move to this screen.

This search will not include institutions outside the U.S. and Canada – and the coverage in Canada is poor. To enter institutions from outside the U.S., go to the bottom of the page and click out of the search (here).
“GPA Scale” means the highest GPA. For almost all U.S. institutions, that is 4.0, the numerical equivalent of an A.
If you know your registration number, please enter it and make sure it is correct. A correct registration number speeds up the process of associating the official score reports with your application.

If you know your ID, please enter it and make sure it is correct. A correct GMAT ID speeds up the process of associating the official score reports with your application.
