September 12
Submit your Application for Degree
- This is a university-wide deadline set by the Registrar, and a Registrar form. Submit the completed paper form to the Laney Graduate School. You can also submit online, in OPUS, if your record indicates that this semester is your anticipated semester of graduation. (Questions? Contact Tamika Hairston-Miles, tamika.hairston@emory.edu, and be sure to include your ID number.)
- If you submitted this a previous semester but did not complete, you need to submit it again.

If you haven’t already…
… then it’s high time you attend a session on dissertations, copyright and intellectual property issues. Sessions will be held in September and October, and a video workshop is available on Blackboard (under the organization name Copyright Education Initiative; click on Copyright & Your Thesis or Dissertation in the left hand column of the Blackboard page).
For information about dates and locations of sessions, visit http://web.library.emory.edu/news-events/upcoming-clases.html.

Dates coming soon…
Attend an information session to learn about submitting your thesis or dissertation. These sessions cover formatting and other requirements, both for the manuscript and for the electronic file; decisions you’ll need to make regarding access; and the process of producing and submitting the paper copy for review and the electronic copy for the repository.
For more information – and to check dates and locations – visit the Electronic Theses and Dissertations repository at https://etd.library.emory.edu.

In November and early December
Attend an ETD submission workshop. These are hands-on help sessions where library staff will help you prepare and upload files.
For more information – and to check dates and locations – visit the Electronic Theses and Dissertations repository at https://etd.library.emory.edu.
